ELIS SEIS - Alternative Sites - SCREENING SUMMARY (07Jun13).xlsx

Hi Jeannie,

Sorry, looks like I did not attach it. See enclosed now (note red-tabbed worksheet)

Also, with the hour, I will email

- The Draft Coop Minutes, and
- the Data Gap report as it stands now

I will be around till about 2pm, and cell-phonable thereafter.

Thanks,

Bernward.

Hi Bernward,

I am checking email right now. I don't see anything and I will be out later this afternoon doing errands. I won't be checking email again until tomorrow morning.

thanks

Hi Jeannie,

Please see attached the *first draft* of the MPRSA-based screening matrix, as discussed. I hope it reflects what you had in mind. Feel free to call me on Saturday (or Monday) morning to discuss. (I am tied up on Sunday with graduation.) It also contains a few YELLOW flags for you to address. Please review, and pass on to Joe and George after your edits.

Thanks,

Bernward.
